Building Operating Management magazine circulates to a 100% qualified list of 60,000 building owners and facilities executives.

Our subscribers are engaged, motivated and manage multi million-dollar budgets.

A Building Operating Management media usage study found the following about our subscribers:

- **88%** say after reading articles or ads in BOM, they refer to a manufacturer’s website
- **81%** use ads in BOM to learn about new products and services

Circulation/BPA

Due to the meticulous qualification process of Building Operating Management readers, we can assure you that the magazine is in the hands of people that want to see your product. BOM and FMD are the only BPA-audited magazines in the industry. Your marketing dollars are important, you should never spend them anywhere that isn’t fully transparent and audited.
