Facility Maintenance Decisions circulates to a 100% qualified list of 32,500 maintenance and engineering managers responsible for the operations of institutional and commercial buildings in the United States who:

- Manage 1.01 million of the largest buildings in the country
- Responsible for 43.6 billion square feet of floor space
- Spend \$130.1 billion on capital equipment/renovation/new construction
- Maintain 4 million landscaped acres
- Maintain 13.3 million hardscaped acres
- Supervise 939,000 personnel

CIRCULATION/BPA

Due to the meticulous qualification process of *Facility Maintenance Decisions* readers, we can assure you that the magazine is in the hands of people that want to see your product. FMD and BOM are the only BPA-audited magazines in the industry. Your marketing dollars are important, you should never spend them anywhere that isn't fully transparent and audited.

Ensure you reach the entire database with a digital campaign

FACILITIESNET.COM is generating more than 140,000 unique visitors per month.
