

THE LARGEST FACILITIES MANAGEMENT TRADE SHOW IN THE COUNTRY

# NFMT Baltimore

**March 26-28, 2019 - Baltimore Convention Center**

National Facilities Management and Technology - Baltimore is the premier event for FM's across the country. The three-day event transforms the Baltimore Convention Center into the hub of all things FM every March, helping more than 5,000 facility professionals solve all of their biggest business challenges. NFMT Baltimore draws vice presidents, directors and managers of commercial, educational, medical and government buildings.

# Critical Facilities Summit

**October 14-16, 2018 - Music City Center - Nashville, TN**

When it comes to safeguarding invaluable data and information, there's no measure not worth pursuing. Critical Facilities Summit is a trade show boasting the newest and contemporary products for consulting engineers, design/build firms and facilities professionals responsible for the construction and ongoing operation of data centers and other mission critical buildings.

# NFMT Vegas

**November 6-7, 2018 - Rio Las Vegas Hotel & Casino**

NFMT returns to the west coast in 2018 giving suppliers and service providers the opportunity to connect with more than 1,000 FMs seeking solutions for their facilities. The smaller, intimate setting of NFMT Vegas helps exhibitors build relationships with facilities professionals from all building types including government, educational, commercial office, hospitality, industrial, medical and retail.
